Dear David:

The Swiss flag flies high over your parent's house and is a great testimony to your faith and theirs. I wish you could be here to watch the way each member of your family is growing spiritually. All of them have their own ministries and are given their own special opportunities, which I believe they are using to the fullest. Much of this must be because of the constant prayer I am sure you pray for them as they in turn pray for God's special blessing and use of you.

On a number of occasions the entire congregation has prayed for you and your fellow-Christians serving there. We are thankful for all of the reports we get through your parents and others. The influence of all of your lives continue to be felt by many people, both here and other places where you have been.

Please give my special regards to Doyle Key. I treasure his friendship and esteem him as a fellow-worker and brother. I wanted you to know of my continued personal interest and prayers for God's use of you. The High School group at Highland continues to grow, both numerically and spiritually. Much of the credit must go to the way your father and mother are allowing God to use them. I thank God every day for their faith and testimony. May the Lord bless you with peace and fulfillment as you tell the story of Jesus to all He brings you into contact with.

Your brother,

John Allen Chalk
